THE KNOWLEDGE CHAMPION 2025

MIDDLE EAST

Annual Talent Search Contest
For School Students
(Grade 1V to X)

KnowledgeCo Org announces the launch of the Annual Talent Search Contest '**The Knowledge Champion 2025**', aimed at creating interest and improving awareness about science, technology, literature, arts, architecture, logical reasoning, and current affairs among students.

'**The Knowledge Champion**' contests are held for students across the globe, and contests are conducted throughout the year for students in various countries. Each event is specific to participating schools in one state/country/group of countries (depending on the number of schools in the area). Students from schools in the state/country/group of countries where the contest is held will be assessed, and winners will be announced.

'**The Knowledge Champion 2025**' will be an inter-school contest. Participating schools can send nominations of interested students or the students can register themselves at our website.

Think Bigger, Stay Focused!

The winners of the contest will receive attractive prizes. All participants who meet minimum qualifying criteria will be awarded a participation certificate.

Attractive Prizes

The Knowledge Champion 2025 - MIDDLE EAST

The Knowledge Champion 2025 for students located in the **Middle Eastern Countries** will be held on **Saturday, 25 Oct 2025**.

Interested students can register for the contest directly from our website or through their respective school authorities.

Registration fee : 20 USD

How to REGISTER?

Registrations can be done online via **www.theknowledgeco.org**

The registration link is as follows:

<https://www.theknowledgeco.org/tkc2025-middle-east>

Procedure & Mode of Contest

- The Knowledge Champion 2025 will be conducted **online**.
 - Further information regarding how the test can be accessed will be sent directly to the registered candidates prior to the exam.
- The contest will be conducted separately for the **Junior Group** (grade IV to VII) and for the **Senior Group** (grade VIII to X).
- The duration of the test will be **1 Hr**.
- The test will be objective type with **100 multiple-choice questions**.
- An incorrect answer will result in a negative mark.
- Students will be evaluated based on their individual performance.
- The contest will be conducted in English.

Eligibility for Participation

- Participant should be a student of one of the schools in the Middle east, including, but not limited to UAE, Bahrain, Qatar, Saudi Arabia etc.
- Participant should be registered for the event prior to the start of the contest.

- The participant should be a student of any of the grades IV to X at the time of the test.

Syllabus & Study Material

- The Knowledge Champion aims to assess the student's knowledge in science, literature, mathematics, current affairs, and other general topics.
- The test consists of age-appropriate questions regarding topics that the students are likely to hear or learn about. It also tests their ability to comprehend questions quickly and provide answers. The test would include questions from the curriculum followed in the school at the respective grades and also general knowledge topics.
- In addition to the school curriculum, and as a general guide for preparing for the test, the students can refer to the information present in KnowledgeCo Org's Youtube Channel 'Knowledge Bytes'.
